16 June 2020

Dear Applicants,

As you are aware that due to the Covid-19 Pandemic the Airline Industry globally has been hit the hardest and some have already declared bankruptcy. Some others are laying off their staff to remain afloat.

Drukair has also been hit the hardest in the region by the Covid-19 Pandemic. We have been waiting for so long and kept the recruitment on hold thinking that situation might improve. However, since there is no improvement in the situation, the Management of Drukair has no other option than to cancel the recruitment.

Therefore, the Drukair Management regrets to inform all the applicants that we will not be recruiting any Cabin Attendant this time and please treat this as the notification to cancel the recruitment of Cabin Attendant.

Thank you for showing your interest in Drukair, however, inconvenient cause highly regretted.
